## Professional and Senior Pads

GP95

### Super Professional Models

Designed for a tailored-to-measure fit. Conforms to all professional league specifications.

Deeply recessed knee area to provide greater side of the leg protection, plus 30% increase in the width of the side gusset.

Water wrap channel holds the pad taut to the foot, reducing the rocking action of the pad.

Flared wrap-around knee rolls that wrap well around to the side of the knee.

Full side flare between knee and ankle.

Nulite® side gusset covering for longer wear. Connected top-middle gussets to prevent the side from snapping in the cuffs of the pants.

The outside roll is sewn at the lower break to maintain a straight, vertical roll and provide just that extra stopping area.

Hand made and hand sewn of specially selected side cowhide leathers.

Firmly hand shaped and stuffed with deer hair for resilience and light weight.

1/2 inch thick white wool felt backing.

Wrap in leather reinforced and lined.

7 Cowhide straps with leather reinforced slots.

GP95 Length 29 inches, 77.5 cm \$227.00

GP95L Length 32 inches, 80 cm \$274.00

GP95XL Length 34 inches, 85 cm \$396.50

## Face Masks and Accessories

- 19452 Stud Helmet \$3.00 Fastens easily to the head harness of all Cooper goalie masks.
- Provides protection to the vulnerable back of the skull. Moulded of black high impact polycarbonate with 3/8" foam lining.
- 19491 Replacement Face Mask Head Harness \$4.50 Double strap harness of elastic webbing. Can be used on all Cooper goalie masks.
- 19491 Replacement Face Mask Harness \$5.50 Double strap harness of elastic webbing, leather strap ends, and metal buckles. Can be used on all Cooper goalie masks.
- 19496 Polycarbonate Mask Insertion moulded of high density white polycarbonate. Features flared sides that cradle the ears. Designed with vertical and horizontal reinforcing ribs that help deflect and disperse blows away from the center of the face. Large eye opening for all round vision. Ventilation ports over mouth and nose area and forehead allow free breathing. Lightweight and close fitting. Comes with a fitting set of self adhesive foam patches that adhere to the inside of the mask for a custom fit to any face structure. Insertions included. Mask to hold into position by a five buckle web head harness. \$18.00
- 19448R Junior Model Same harness as 19448. For players to 12 years. \$18.00
- 19452 Street Hockey Mask High density polycarbonate mask. Close fitting for good visibility. Open ports allow free breathing. Complete with 3/8 inch pre-announced foam padding that adheres to the inside of the mask to suit individual face structure. Five buckle web head harness holds mask close to head without sliding. White only \$8.00
- Recommended for street hockey only.
- 19410R Junior Boy's Model Same harness as 1941. For players to 12 years. \$8.00
- Recommended for street hockey only.
- GTP Goale Throat Protector Lightweight free swinging protection for the throat area. Moulded of high density polycarbonate and contoured to deflect chest blows. \$13.00 Can be attached to the following Cooper masks: 19450S, 19450SR, 19450C, 19450, 19450R.
- 19457 Mounting hardware for Goale Throat Protector. Each set \$2.40

## Shoulder and Arm Pads

- Deluxe Professional Shoulder and Arm Pad Fully padded with foam, covered and lined in nylon. The pre-shaped arms feature quarter sleeves that taper to fit the gloves. The arms are protected with poly inserts at the front and back of the forearms and around the biceps. Vinyl covered caps cover the shoulders and elbows. A leather covering reinforces and protects the chest area. Laced front and back.
- SARL Tall Model \$73.00
- SARS Regular Model \$73.00
- SARSJR Junior Pro Model \$73.00

- Professional Nylon and Foam Quilted goalie shoulder and arm pad. Features pre-curved sleeves with nylon covered foam patches covering all the vital areas including the elbow. This construction system provides the maximum protection without curtailing arm flexing. The sleeves are laced to the shoulders giving complete freedom and length adjustments. They're also tapered to fit neatly into goal mitts. Laced front and back.
- SARSL Tall Model \$84.00
- SARSR Regular Model \$84.00
- SARSJR Junior Pro Model of Cotton \$84.00

- Professional Model of quilted cotton padding and linings, pre-curved, snug fitting sleeves. Expanded vinyl reinforced foam pads protect the biceps with foam and poly flexing ribs at the inside of the elbow and forearm. The sleeves have tapered cuffs to fit snugly into goal mitts. Elastic webbed back with laced front.
- SARL Tall Model \$33.50
- SARSR Regular Model \$28.50

- SARL Junior Pro Shoulder and Arm Pad of quilted natural cotton. Elastic web-arm straps. Elastic web straps at back, cotton laced at front. Pockets on the forearms, elbows and biceps contain foam for the ultimate in protection. For players to age 14. \$23.50
- SARL Pro-Max Pro Pad of quilted natural cotton with elastic web arm straps. Pockets on the forearms, elbows and biceps contain foam for extra protection where it's needed most. Elastic web straps at the back, laced front. For ages 8 to 12. \$18.00
- SARL Boy's Model for players age 6 to 8. Padded of quilted natural cotton with elastic web arm straps. Elastic web straps at the back, laced front. \$15.50
